- Four light effects included • Both up- and downlight • Built-in parallel connection
- Extra durable material suitable for coastal areas (Designed For Seaside) • 15-year guarantee on surface deterioration • Long LED lifespan (30,000 hours)

Whether Canto 2 is placed indoors or outdoors, the lamp offers a unique lighting experience. The minimalist design makes the lamp both decorative and sculptural. The light flows both up and down, and with the three included pattern inserts, it is possible to change the light image according to desire and personal style. Designed by Danish designer Bønnelycke MDD.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
