

Mijia Air Conditioner Pro Eco

9000Btu/h
A+++ Energy Efficiency
30-Second Quick Cooling
60 Second Rapid Heating

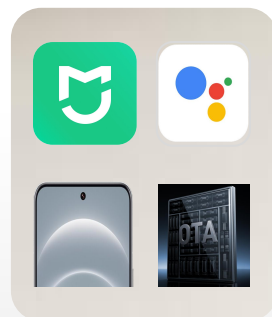

A+++

Mijia AI Energy Saver

Gentle Airflow

Smart Control

Basic information

- ASH-09WO/N1C3-EU
- Indoor: ASH-09W/N1C3-EU
- Outdoor: ASH-09O/N1C3-EU
- Type: Inverter
- Refrigerant: R32
- Type: Split-Type Wall-Mounted Air Conditioner
- Cooling type: Cooling and Heating
- Swing mode: Up-down, left-right
- Control methods:
 - Remote control
 - Smart control via app
 - Voice Control via Smart Speaker

Design & Dimensions

- Color: White
- Dimensions (Indoor net): 840 x200x311mm
- Dimensions (Outdoor net): 860x551x311mm
- Dimensions (Indoor package): 915 x292x382mm
- Dimensions (Outdoor package): 925x625x389mm
- Weight(Indoor net): 9.8kg
- Weight(Outdoor net): 25.5kg
- Weight(Indoor gross): 11.8kg
- Weight(Outdoor gross): 28.9kg

Core parameters

- Capacity: 9000Btu/h(Cooling), 12200Btu/h(Heating)
- Power: 650W (Cooling), 860W(Heating)
- Airflow rate: 600m³/h
- SEER: 8.5
- SCOP: 4.6 (Average) /5.7 (Warmer)
- Indoor sound power level: 53dB
- Outdoor sound power level: 59dB
- Power supply: 1PH 220-240V/50HZ
- Energy efficiency class:
 - Cooling: A+++
 - Heating/Warmer: A+++
 - Heating/Average: A++

Package includes

- Air conditioner installation guide
- Remote control × 1
- User manual × 1
- Screw set × 1
- AAA battery × 2
- Connector nut × 4
- Drain hose × 1

Power plug specification

- No power plug included; the installation service provider will configure it based on the actual installation conditions
